

2026-2027 Service Charges

Service charges can vary depending on your home and where you live. Some properties have shared spaces, which need to be lit or heated and others have shared grounds that need to be maintained. Service charges may also include things like security systems, health and safety equipment, and refuse collection.

We do everything we can to manage service charges and limit the costs to our tenants. As a not-for-profit organisation and registered charity, we calculate service charges based on what they cost to deliver and do not make any profit from these.

If you have any questions about your service charges, please get in touch with us on 033 33 55 44 33 or email customerservices@2rh.org.uk for more information.

Need some extra help?

We understand that the cost-of-living crisis is still affecting many of our tenants and will provide additional support wherever we can. Our welfare, benefit and debt advice team are available to all tenants and can provide free advice and support for those that need it.

If you need to speak to someone about paying your rent or service charges, please get in touch with our income collection team. They are ready to answer any questions and help find a solution that works for you.

Service charge headings and their meanings

Service charge	What's included	Description	General Needs	Home Plus	Leasehold	Shared Ownership
